This directory is current as of 08/27/2014.

This directory provides a list of HumanaChoice Regional PPO or Humana Medicare Employer Regional PPO network providers; however, it is only a partial listing of the providers in your network. For a full listing of the plan's network, please call Customer Care (details on front and back cover pages) or visit our website at **Humana.com**.

This directory contains providers in the following counties, parishes or municipalities:

PA:Cameron, Clarion, Clearfield, Crawford, Elk, Erie, Forest, Jefferson, Lawrence, McKean, Mercer, Potter, Venango, Warren

Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members.

Introduction

This directory provides a list of HumanaChoice Regional PPO or Humana Medicare Employer Regional PPO network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

How to get the most out of your network

As a Humana Medicare Employer Regional PPO member, it's a good idea to select a doctor to act as your Primary Care Physician (PCP). Although you don't have to have a PCP, it's important to have someone focus on your total healthcare. A PCP can provide much of your care. He or she can help ensure you get preventive care, provide timely access to services and coordinate with other doctors if needed. This helps you improve and manage your health. And you don't need a referral to see another doctor.

As a HumanaChoice Regional PPO member, you will have to choose one of our network providers who are listed in this directory to act as your Primary Care Physician (PCP). A PCP can provide much of your care. He or she can help ensure you get preventive care, provide timely access to services and coordinate with other doctors if needed. This helps you improve and manage your health. And you don't need a referral to see another doctor.

The "network providers" listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. With some plans, your network physician must call Customer Care for prior authorization of all non-emergency and non-urgent network hospital admissions in order for services to be covered. Please refer to your Evidence of Coverage.

You may get covered services from out of network providers as long as they accept Medicare and agree to Humana's payment terms. If you use out-of-network providers, your out-of-pocket costs may be higher except in emergencies or urgent care situations. In some cases where coinsurance is the same for services received both in and out-of-network, you may still pay more out-of-network. This occurs when the out-of-network provider bills the Medicare allowed charge, and the in-network contracted amount would have been lower. To get more information, please see your Evidence of Coverage or call Customer Care (details on front and back cover pages).

Sometimes the selection of in-network providers is limited in certain geographic areas or in some specialties. If the network in your area doesn't offer the specialist you need, you may be allowed to go to an out-of-network provider at the in-network rate. Call Customer Care (details on front and back cover pages) to find out if you qualify and get more instructions. Be sure to contact out-of-network doctors before you see them to make sure they accept Medicare assignment.

If your plan has providers with preferred cost-sharing as part of its benefits, please refer to the Evidence of Coverage for more information on the cost-sharing for each tier.

What you should do if you have bills from out-of-network providers that you think should be paid by HumanaChoice Regional PPO or Humana Medicare Employer Regional PPO.

If an out-of-network provider asks you to pay for covered services, please call Customer Care (details on front and back cover pages). Or send the bill(s) with a note explaining the situation to:

**Humana Claims Office
P.O. Box 14601
Lexington, KY 40512-4601**

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know the amount, if any, you must pay.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Suppose that you are temporarily outside the plan's service area, but still in the United States and territories. If you have an urgent need for care, you probably will not be able to find or get to one of the providers in our plan's network. In this situation (when you are outside the service area and cannot get care from network providers), our plan will cover urgently needed care that you get from any provider.

Our plan does not cover urgently needed care or any other non-emergency care if you receive the care outside of the United States and territories.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital in order to pay the in-network cost-sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered but you will pay the out-of-network cost-sharing amount for the part of your stay after you are stabilized.

Hospitalist Program

If your Physician participates in the Hospitalist Program, and you are admitted to the hospital, all aspects of your care will be actively directed and coordinated by a full time physician specially trained in inpatient care. The physician is referred to as a hospitalist and is independently contracted and board-certified or eligible for board certification by the American Board of Internal Medicine.

A case management coordinator, another member of the hospitalist team, is a licensed nurse trained in patient care management. He or she coordinates your needs and services (such as lab work, X-rays, consultations and more) with the hospitalist physician.

Your hospitalist physician and case management coordinator will report your condition and progress to your Physician regularly. They may also schedule a follow-up appointment with your Physician.

Mental Health

For mental health or substance abuse services, you or your doctor or counselor should call LifeSynch for authorization. Please call 1-866-861-4478 (TTY: 1-800-735-2988). The hours are Monday through Thursday, 7 a.m. to 6:30 p.m. CST and Friday from 7 a.m. to 6 p.m. CST. For additional information, go to **Humana.com** or contact the phone number listed on your plan identification card.

Transplant Services

Use of a general service facility for transplant services may result in substantial additional expense to you. For transplant related services, please call 1-866-421-5663, (TTY: 1-800-336-6709). Our hours are Monday through Friday, 8:30 a.m. to 5 p.m.

Network Pharmacies

How to get the most out of your pharmacy network

The “network pharmacies” listed in this directory have agreed to provide you with your prescription coverage. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Humana Prescription Drug Guide. You may go to any of our network pharmacies listed in this directory. In most cases, your prescriptions are covered under HumanaChoice Regional PPO or Humana Medicare Employer Regional PPO only if they are filled at a network pharmacy, or through our mail-order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Medicare Part B prescription drug coverage

Members with Medicare Part B prescription drug coverage can use the network pharmacies included in this directory to receive their approved Medicare Part B drugs. For more information about receiving Medicare Part B drugs through out-of-network pharmacies, see "Filling prescriptions outside the network" and "How to submit a paper pharmacy claim" beginning on page 8.

Mail-Order Pharmacies

Pharmacies with preferred mail order cost-sharing are pharmacies in Humana’s network in which Humana has negotiated lower cost-sharing than at pharmacies with standard mail order cost sharing for its plan members for covered prescription drugs. However, you will still have access to lower drug prices at pharmacies with standard mail-order cost-sharing than at out-of-network mail-order pharmacies. You may go to either of these types of network mail-order pharmacies to receive your covered prescription drugs.

If your plan does not have preferred and standard mail-order cost-sharing pharmacy benefits, you may use any mail-order pharmacy listed.

You can get prescription drugs shipped to your home through our network mail order delivery program. Typically, you should expect to receive your prescription drugs from 7 to 10 days for refills and 10 to 14 days for new prescriptions from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Customer Care (details on front and back covers).

If you are a member of a qualified State Pharmaceutical Assistance Program, please contact the program to verify that the mail-order pharmacy will coordinate with that program.

Are home infusion pharmacies part of the pharmacy network?

HumanaChoice Regional PPO or Humana Medicare Employer Regional PPO will cover infusion therapy drugs if:

- Your prescription drug is on your HumanaChoice Regional PPO or Humana Medicare Employer Regional PPO formulary, or you have a formulary exception;
 - HumanaChoice Regional PPO or Humana Medicare Employer Regional PPO has approved your prescription drug for home infusion therapy; and
 - Your prescription is written by an authorized prescriber.
-

Are long-term care pharmacies part of the pharmacy network?

Residents of a long-term care facility may access their prescription drugs covered under HumanaChoice Regional PPO or Humana Medicare Employer Regional PPO through the facility's long-term care pharmacy or another network long-term care pharmacy.

Are Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies part of the pharmacy network?

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through HumanaChoice Regional PPO or Humana Medicare Employer Regional PPO pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

What are Physician Dispensing Pharmacies?

These are Physicians/Clinics that are part of Humana's pharmacy networks that can dispense prescribed medications from within their office.

Filling prescriptions outside the network

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. **Before you fill your prescription in these situations, call Customer Care (details on front and back cover pages) to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy, you may have to pay the full cost (rather than paying just your copayment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form.

However, even after we reimburse you for our share of the cost, you may pay more for a drug purchased at an out-of-network pharmacy because the out-of-network pharmacy's price is generally higher than what a network pharmacy would have charged. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy as any amount you pay will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to "How to submit a paper pharmacy claim" below. **We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.**

How to submit a paper pharmacy claim

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you may need to pay the full cost of your prescription. When you return home, simply submit your paper claim and your itemized receipt to the following address:

**Humana Claims Office
P.O. Box 14140
Lexington, KY 40512-4140**

Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Customer Care (details on front and back cover pages) for more information on initial coverage determinations.

Directorio de Proveedores de HumanaChoice PPO Regional o Humana Medicare PPO Regional del Patrono

Este directorio está actualizado a partir del 08/27/2014.

Este directorio proporciona una lista de los proveedores de la red de HumanaChoice PPO Regional o Humana Medicare PPO Regional del Patrono; no obstante, es sólo un listado parcial de los proveedores de su red. Para obtener un listado completo de la red del plan, llame al departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás) o visite nuestro sitio Web en **Humana.com**.

Este directorio contiene proveedores en el/los siguiente(s) condados, parroquias o municipalidades:
PA:Cameron, Clarion, Clearfield, Crawford, Elk, Erie, Forest, Jefferson, Lawrence, McKean, Mercer, Potter, Venango, Warren

Algunos proveedores de la red pueden haber sido agregados o suprimidos de nuestra red después de que se imprimiera este directorio. No garantizamos que los proveedores todavía estén aceptando nuevos afiliados.

Introducción

Este directorio proporciona una lista de los proveedores de la red de HumanaChoice PPO Regional o Humana Medicare PPO Regional del Patrono. Para obtener información detallada acerca de su cobertura de atención médica, consulte su Evidencia de Cobertura.

Cómo aprovechar al máximo su red

Como un afiliado de Humana Medicare PPO Regional del Patrono es buena idea seleccionar a un médico para que actúe como su médico de atención primaria (PCP). Aunque no necesita tener un médico de atención primaria, es importante tener a alguien que se concentre en su atención médica general. Un médico de atención primaria puede proporcionarle gran parte de su atención. Él o ella puede ayudar a garantizar que usted reciba atención preventiva, proporcionar acceso oportuno a los servicios y coordinar con otros médicos, si es necesario. Esto le ayuda a mejorar y manejar su salud. Y no se necesita un referido para ver a otro médico.

Como un afiliado de HumanaChoice PPO Regional, tendrá que elegir a uno de los proveedores de nuestra red que estén en este directorio para que actúe como su médico de atención primaria (PCP). Un médico de atención primaria puede proporcionarle gran parte de su atención. Él o ella puede ayudar a garantizar que usted reciba atención preventiva, proporcionar acceso oportuno a los servicios y coordinar con otros médicos, si es necesario. Esto le ayuda a mejorar y manejar su salud. Y no se necesita un referido para ver a otro médico.

Los "proveedores de la red" que están en este directorio han aceptado proporcionarle su cobertura de atención médica. Puede visitar a cualquiera de los proveedores de nuestra red que están en este directorio. Si usted ha estado viendo a un proveedor de la red, no es obligatorio que siga viendo al mismo proveedor. Con algunos planes, su médico de la red debe llamar al departamento de Atención al Cliente para solicitar autorización previa para todas las admisiones a hospitales de la red que no sean de emergencia ni de urgencia con el fin de que los servicios estén cubiertos. Consulte su Evidencia de Cobertura.

Usted puede recibir servicios cubiertos de proveedores fuera de la red. Si utiliza proveedores fuera de la red, sus costos de desembolso personal pueden ser más altos excepto en emergencias o casos de urgencia. En algunos casos donde el coaseguro es igual para servicios recibidos tanto dentro como fuera de la red, es posible que deba pagar más fuera de la red. Esto ocurre cuando el proveedor fuera de la red factura el cargo permitido por Medicare, y la cantidad contratada dentro de la red hubiese sido más baja. Para obtener más información, consulte su Evidencia de Cobertura o llame al departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás).

Algunas veces la selección de proveedores dentro de la red está limitada en ciertas áreas geográficas o en algunas especialidades. Si la red de su área no ofrece el especialista que necesite, usted podrá consultar a un especialista que fuera de la red y pagar la tarifa que corresponda a proveedores dentro de la red. Llame al número del departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás) para verificar si usted califica y para obtener más instrucciones. Asegúrese de comunicarse con los médicos fuera de la red antes de consultarles y de verificar que acepten las asignaciones de Medicare.

Si su plan tiene proveedores con costo compartido preferido como parte de los beneficios, consulte la Evidencia de Cobertura para más información sobre el costo compartido de cada nivel.

Qué debe hacer en caso de recibir facturas de proveedores fuera de la red y que usted cree que deberían ser canceladas por HumanaChoice PPO Regional o Humana Medicare PPO Regional del Patrono.

Si un proveedor fuera de la red le pide pagar por servicios cubiertos, comuníquese con el departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás). O envíe la(s) factura(s) con una nota explicando la situación a:

**Humana Claims Office
P.O. Box 14601
Lexington, KY 40512-4601**

Usted nunca deberá pagar a ningún proveedor fuera de la red más de la cantidad permitida por Medicare. Pídale al proveedor fuera de la red que nos envíe una factura antes. Si usted ya pagó por los servicios cubiertos, nosotros le reembolsaremos la parte que nos corresponde del costo. Si usted recibe una factura por los servicios, nos la puede enviar para que nosotros la paguemos. Nosotros le pagaremos al proveedor fuera de la red la parte que nos corresponde de la factura y le informaremos a usted la cantidad que debe pagar, en caso de que sea necesario.

Si tiene una emergencia, nosotros hablaremos con los médicos que le están proporcionando la atención de emergencia para ayudar a manejar y hacer el seguimiento de su atención. Los médicos que le están proporcionando la atención de emergencia decidirán cuándo su estado es estable y que la emergencia médica ha terminado.

Después de que la emergencia haya terminado usted tiene derecho a recibir atención de control posterior para asegurarse de que su estado continúe estable. Nuestro plan cubrirá su atención de control posterior. Si su atención de emergencia es proporcionada por proveedores fuera de la red, nosotros intentaremos coordinar para que proveedores de la red se encarguen de su atención tan pronto como lo permitan las circunstancias y su afección médica.

Supongamos que usted se encuentra temporalmente fuera del área de servicio del plan, pero dentro de los Estados Unidos y territorios. Si necesita atención médica de urgencia, es posible que no pueda encontrar o conseguir a uno de los proveedores de la red de nuestro plan. En este caso (cuando usted se encuentra fuera del área de servicio y no puede obtener atención de proveedores de la red), nuestro plan cubrirá atención médica que se necesita con urgencia que usted reciba de cualquier proveedor.

Nuestro plan no cubre atención médica que se necesita con urgencia ni ninguna otra atención que no sea de emergencia si usted la recibe fuera de los Estados Unidos y sus territorios.

Si usted recibe atención de emergencia en un hospital fuera de la red y necesita atención como paciente interno después de que su afección de emergencia se estabiliza, debe cambiar a un hospital de la red para poder pagar la cantidad de costo compartido dentro de la red por la parte de su estadía después de que usted se estabiliza. Si usted queda en el hospital fuera de la red, su estadía estará cubierta pero usted tendrá que pagar la cantidad de costo compartido fuera de la red por la parte de su estadía después de que se estabiliza.

Programa de hospitalistas

Si su médico participa en el Programa de hospitalistas, y usted es admitido al hospital, todos los aspectos de su atención serán dirigidos y coordinados activamente por un médico de tiempo completo especialmente capacitado para la atención médica de pacientes internos. El médico se conoce como hospitalista y es contratado de manera independiente y tiene certificación en su especialidad o reúne los requisitos necesarios para su certificación por la Junta Americana de Medicina Interna.

Un coordinador de administración de casos, otro miembro del equipo de hospitalistas, es un/a enfermero/a con licencia capacitado/a en la administración de atención de pacientes. Él o ella coordina todas las necesidades y los servicios (como los análisis de laboratorio, radiografías, consultas y mucho más) con el médico hospitalista.

Su médico hospitalista y coordinador de administración de casos darán informes regulares sobre su estado y progreso a su médico. También podrán programar una cita de control posterior con su médico.

Salud mental

Para los servicios de salud mental o de tratamiento de abusos de sustancias, usted o su médico o asesor debe llamar a LifeSynch para la autorización. Llame al 1-866-861-4478 (TTY: 1-800-735-2988). El horario es de lunes a jueves de 7 a.m. a 6:30 p.m., hora estándar de la zona central, y los viernes de 7 a.m. a 6 p.m., hora estándar de la zona central. Para obtener información adicional, visite **Humana.com** o llame al número de teléfono que aparece en su tarjeta de identificación del plan.

Servicios de trasplante

El uso de un centro de servicios generales para servicios de trasplante puede resultar en un costo adicional significativo para usted. Para los servicios relacionados con los trasplantes, llame al 1-866-421-5663, (TTY: 1-800-336-6709). Nuestro horario es de lunes a viernes, de 8:30 a.m. a 5 p.m.

Humana Fitness

No todos los planes Medicare Advantage ofrecen un beneficio de acondicionamiento físico. Para obtener información sobre los contactos y beneficios de acondicionamiento físico consulte su Evidencia de Cobertura.

Proveedores de atención de la vista

Si está afiliado al Plan PPO de Patronos de Medicare de Humana, los proveedores de atención de la vista pueden variar. Para obtener más información acerca de los proveedores disponibles en su área, comuníquese con su Administrador de beneficios

Son médicos/clínicas que forman parte de la red de farmacias de Humana que pueden despachar los medicamentos recetados dentro de su consultorio.

Cómo obtener medicamentos recetados fuera de la red

Por lo general, sólo cubrimos medicamentos obtenidos en una farmacia fuera de la red en circunstancias limitadas y fuera de rutina, cuando no hay disponible una farmacia de la red. **Antes de obtener sus medicamentos recetados en estas situaciones, llame al departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás) para verificar si hay una farmacia de la red en su área donde pueda obtener sus medicamentos recetados.** Si usted va a una farmacia fuera de la red, es posible que deba pagar la totalidad del costo (en lugar de pagar sólo su copago) cuando obtenga su medicamento recetado. Puede solicitarnos que le reembolsemos nuestra parte del costo enviándonos un formulario de reclamación.

No obstante, incluso después de que le hayamos reembolsado la cantidad que nos corresponde del costo, usted puede pagar más por un medicamento comprado en una farmacia fuera de la red porque el precio de la farmacia fuera de la red, por lo general, es más alto del que cobraría una farmacia de la red. Debería enviarnos una reclamación si obtiene un medicamento recetado en una farmacia fuera de la red, ya que cualquier cantidad que pague le ayudará a calificar para la cobertura catastrófica. Para aprender cómo se envía una reclamación en papel, consulte a continuación: "Cómo enviar una reclamación de farmacia en papel". **No podemos pagar por medicamentos recetados que sean despachados por farmacias fuera de los Estados Unidos y sus territorios, incluso si se trata de una emergencia médica.**

Cómo enviar una reclamación de farmacia en papel

Cuando usted va a una farmacia de la red, ésta nos envía automáticamente su reclamación. No obstante, si usted va a una farmacia fuera de la red, es posible que la farmacia no nos pueda enviar la reclamación directamente. Cuando eso sucede, es posible que usted necesite pagar el costo total de su medicamento recetado. Al regresar a casa, simplemente debe enviar su reclamación en papel y su recibo desglosado a la siguiente dirección:

**Humana Claims Office
P.O. Box 14140
Lexington, KY 40512-4140**

Una vez recibida la reclamación, tomaremos una determinación de cobertura inicial sobre la reclamación. Consulte su Evidencia de Cobertura o llame al departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás) para obtener más información sobre las determinaciones de cobertura iniciales.

Humana Medicare Advantage Plans are not providers of medical services. Humana Medicare Advantage Plans do not endorse, control, or interfere with the clinical judgment or treatment recommendations made by the physicians or other providers listed in this directory or otherwise selected by you.

Other Hospitals

"Other Hospitals" is a listing of hospitals each of which, while not contracted with Humana, is available to you for emergency services and may be available to you for non-emergency services at in network benefits as an "essential hospital". An "essential hospital" designation is made by CMS in certain circumstances, where a contract for services does not exist. The designation is based upon Humana's identification of areas where only a limited number of acute care hospitals are available. If you need access for non-emergency services at one of the facilities listed in this section, you should contact the hospital in advance of services to confirm acceptance of your Humana Medicare Advantage plan. Once acceptance of the plan is confirmed for the non-emergency services, in-network benefits are applicable. If you have questions about "essential hospitals" please contact customer service at the number listed on your identification card.
