SECTION 1

Summary of Benefits

January 1, 2015 - December 31, 2015

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **Humana Gold Choice H8145-052 (PFFS)**). A Private Fee-for-Service plan is not Medicare supplement insurance. Providers who do not contract with our plan are not required to see you except in an emergency.

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Humana Gold Choice H8145-052 (PFFS)** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <http://www.medicare.gov>.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "**Medicare & You**" handbook. View it online at <http://www.medicare.gov> or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Who can join?

To join **Humana Gold Choice H8145-052 (PFFS)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Our service area includes the following counties in Pennsylvania: Adams, Berks, Bradford, Cameron, Carbon, Centre, Chester, Clinton, Crawford, Cumberland, Dauphin, Erie, Franklin, Huntingdon, Jefferson, Juniata, Lackawanna, Lancaster, Lebanon, Luzerne, Lycoming, Mifflin, Montour, Northumberland, Perry, Potter, Snyder, Sullivan, Susquehanna, Tioga, Wayne, Wyoming, and York.

Which doctors, hospitals, and pharmacies can I use?

Humana Gold Choice H8145-052 (PFFS) has a network of doctors, hospitals, and other providers. If you use the providers in our network, you may pay less for your covered services. But if you want to, you can also use providers that are not in our network.

- Some providers that are not in our network have already agreed to accept the plan's terms and conditions for payment, but you will need to pay more.
- Other providers that are not in our network and have not already agreed to accept the plan can decide at every visit whether or not to accept the plan and treat you.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider directory at our website (<http://www.humana-medicare.com>). You can see our plan's pharmacy directory at our website (http://www.humana.com/Medicare/medicare_prescription_drugs/). Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers - and *more*.

- **Our plan members get *all* of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare.** For others, you may pay less.
- **Our plan members also get *more than what is covered by Original Medicare*.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, http://www.humana.com/medicare/medicare_prescription_drugs/medicare_drug_tools/medicare_drug_list/.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

Coverage Gap

Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches **\$2,960**.

After you enter the coverage gap, you pay **45%** of the plan's cost for covered brand name drugs and **65%** of the plan's cost for covered generic drugs until your costs total **\$4,700**, which is the end of the coverage gap. Not everyone will enter the coverage gap. Under this plan, you may pay even less for the brand and generic drugs on the formulary. Your cost varies by tier. You will need to use your formulary to locate your drug's tier. See the chart that follows to find out how much it will cost you

Standard Retail Cost-Sharing

**Non-network dentists haven't agreed to provide services at an in-network rate. Humana negotiates rates for dental services. When you see a non-network dentist, you'll pay your part of the negotiated rate (your coinsurance). If your dentist charges more than that rate, you may have to pay more.

Humana MyOption Optional Supplemental Benefits (OSB) are only available to members of certain Humana Medicare Advantage (MA) plans. Members of Humana plans that offer OSBs may enroll in OSBs throughout the year. Benefits may change on January 1st each year. Enrollees must continue to pay the Medicare Part B premium, their Humana premium, and the OSB premium.
